

REMARKS

The foregoing amendment and the following arguments are provided generally to impart precision to the claims, by more particularly pointing out the disclosure, rather than to avoid prior art.

Claims 1-4, 6-19 and 21-26 are pending. Claims 1-4, 6-19, 21, and 25-26 have been rejected. Claims 22-24 are allowed. Claim 1-4, 6-19, 21, and 25-26 has been cancelled. Claims 27-45 have been newly added. Reconsideration and withdrawal of the rejections set forth in the Final Office Action dated November 28, 2007 are respectfully requested. Support for the amendments is found in the specification, the drawings, and in the claims as originally filed. No new matter has been added.

Allowable Subject Matter

Claims 22-24 have been allowed in the Office Action mailed November 28, 2007. The newly added claims 27-45 depend from one of the foregoing allowable independent claims and therefore incorporate the distinguishing claimed subject matter of the foregoing independent claim. Therefore, the newly added claims 27-45 are also allowable.

Conclusion

In view of the above amendment, applicant believes the pending application is in condition for allowance.
